DEI | PROGRAM MANAGER | GLOBAL WORKFORCE & TRANSFORMATION PROGRAMS

Results-driven professional with 10+ years of diverse experience in Strategy Consulting, MSP Program Management, SAP Fieldglass Implementation, Vendor Governance, Recruitment & Account Management, and Customer Success for Fortune 500 companies. Expertise in collaborating with cross-functional stakeholders including C-suite leaders, HR, Procurement, Finance, and IT to deliver large-scale programs across APAC, and EMEA regions—ensuring alignment with business goals, compliance frameworks, and performance metrics. I am particularly passionate about building inclusive and accessible workplaces, with hands-on experience in driving DEI and accessibility initiatives aligned with global standards. Following a professional sabbatical focused on health and personal priorities, I remained actively engaged through TS Workforce, DEI & Program Advisory, building in stealth, delivering inclusive hiring solutions and strategic advisory across DEI and accessibility—enhancing my expertise in inclusive design, compliance frameworks, and workforce transformation supported by data-driven decision-making and measurable achievements.

CORE SKILLS

▪ DEI, Product Accessibility & Inclusive Design ▪ Global Program & Multi-Vendor Management ▪ SAP Fieldglass Implementation ▪ Procurement Operations & P2P Lifecycle ▪ Stakeholder Management (Business, Procurement, Finance) ▪ Contract, PO, SOW & Invoice Management ▪ Vendor Performance, SLA & KPI Governance ▪ Risk, Issues & Change Management ▪ Recruitment & Account Management ▪ Customer Service Excellence ▪ SAP Fieldglass, SAP ECC, SAP S/4HANA, SAP Ariba, Workday, Jira, Gemini, Coupa, Slack

FREELANCE & CONSULTING EXPERIENCE

DE&I Program Manager | TS Workforce, DEI & Program Advisory | July 2023 - Present

- Coordinated with Product, HR, Compliance, and executive leadership to advance enterprise accessibility strategy, improving web accessibility and inclusive user experience across digital platforms.
- Advised stakeholders on implementing DEI and accessibility frameworks aligned with Policy, Regulatory Guidelines and WCAG standards to enable inclusive hiring practices and reduce accessibility barriers for candidates coming with diverse abilities.
- Participated in Product accessibility sessions and applied best practices to strengthen organizational accessibility maturity, governance, and disability inclusion.
- Influenced cross-functional teams to integrate inclusive design principles into product development life-cycle, supporting compliance, risk mitigation, and improved accessibility outcomes.
- Implemented structured recruitment workflows and inclusive hiring practices.
- Managed workforce planning and hiring operations for startups and mid-sized organizations.
- Managed 40+ mid-to-senior and niche roles across IT, BFSI, and Manufacturing sectors.

PROFESSIONAL EXPERIENCE

Program Professional – MSP Contingent Workforce Programs | ManpowerGroup, Tapfin | Feb 2022 – May 2023

- Managed multiple global MSP programs supporting APAC and EMEA regions with oversight of 34+ suppliers and 50+ active requisitions.
- Directed end-to-end contingent workforce lifecycle including requisition intake, WO, PO creation, worker onboarding, time tracking, invoicing, offboarding, and payment approvals ensuring 100% policy compliance.
- Collaborated with Procurement, HR, Finance, IT, and Business Leaders to ensure 100% compliance with governance and risk frameworks.
- Processed 100+ contract change requests (rate revisions, extensions, cost center updates) with zero service disruption.
- Delivered executive dashboards, supplier scorecards, QBR reports, and performance improvement plans.
- Improved processing efficiency by 20% through workflow standardization and analytics-driven optimization.

Program Lead – SAP Fieldglass Implementation – Global Fintech Client

- Led end-to-end SAP Fieldglass implementation for Contingent Workforce Management program.
- Coordinated with C-suite, HR, Procurement, Finance, and IT stakeholders for system integration with Workday and financial systems.
- Onboarded 18 suppliers including MSA, SOW, and TPA configuration within VMS.
- Managed 160+ program risks and issues with 95% SLA-based resolution.
- Conducted UAT sessions, developed SOPs, user guides, and training documentation.
- Supported hypercare and stabilization phases, including user access, role creation, and permissions management.
- Delivered steering committee updates ensuring on-time, in-scope, and on-budget execution.
- Optimized data transformation, requisition approval, time tracking, and invoicing workflows, improving efficiency and reducing processing time by 20%.
- Supported vendor invoice management, resolving invoice, service delivery discrepancies, and contributing to 100+ workforce requisitions and 50+ change requests.

Senior Manager – Business Development & Recruitment | Freelance | United Consulting | Dec 2017 – Jan 2022

- Managed 15+ client accounts across IT and non-IT staffing verticals.
- Delivered contract, contingent, and permanent staffing solutions.
- Negotiated client agreements and ensured SLA adherence.
- Produced weekly and monthly recruitment analytics dashboards.

Senior Associate – Customer Service Operations | WNS Global Services | Feb 2015 – Nov 2017

- Supported UK energy client operations using SAP S/4HANA.
- Mentored 20+ associates to achieve KPI and SLA targets.
- Managed billing disputes, sales order processing, and compliance workflows.

Senior Executive – Customer Service | DTDC Courier & Cargo | May 2012 – Jan 2015

- Managed shipment tracking, service escalations, and branch coordination.
- Ensured adherence to operational SLAs and customer service standards.

Executive – Customer Service Operations | EXL Services | May 2010 – May 2012

- Managed UK energy customer accounts using SAP R3/ECC.
- Processed billing, invoicing, and contract transactions.
- Maintained quality assurance and compliance standards.
